Exhibit at the British Thoracic Society Summer Meeting

Exhibitor Prospectus 2025

"The annual BTS Summer Meeting brings together respiratory professionals from across the multi-professional respiratory team to share knowledge, learn about opportunities for development and improve service delivery. The Exhibition gives delegates a chance to share knowledge with industry colleagues and discover more about the latest pharmaceutical evidence and innovative investigative and therapeutic equipment. Book your stand to be part of this fantastic event".

Alison Armstrong
Chair, BTS Education & Training Committee

The British Thoracic Society (BTS) is delighted to invite all BTS Approved Companies to join us at the 2025 Summer Meeting.

Dates: Thursday 19 & Friday 20 June (set-up on Wednesday 18 June)
Location: Manchester Central Convention Complex, M2 3GX

The Meeting provides a comprehensive, clinically grounded programme, delivering a wide range of topics that deliver for the whole respiratory team. It emphasises the value of meeting colleagues, sharing experiences and having those one-to-one interactions that are so important.

We encourage the entire respiratory MDT to attend, learn, discuss and network.

Join us in June to be part of this fantastic learning opportunity, to interact with colleagues, old and new, to showcase the very best that your company has to offer, and to network with like-minded participants.

The exhibition hall will also include all catering and the abstract prize poster screens, in order to maximise footfall to the stands.

DELEGATE NUMBERS

The Summer Meeting is usually attended by between 500 and 700 delegates, with the 2024 Summer Meeting attracting nearly 790 participants across the two days. Delegates comprise consultants and specialty trainees, nurses, physiotherapists, physician associates, research scientists, speech and language therapists, physiologists, general practitioners and pharmacists.

The exhibition will be held in Exchange Hall, where all refreshments will also be served. The floor plan of the exhibition area is available separately [here](#).
